

OTE for "Viv"

Vivian L "Viv" Messner has been a Virginia resident for over 40 years. She and her husband, Paul Gross (recently deceased) moved to the Oak Grove area over 20 years ago when she accepted an IT position with a defense contractor at NSWC in Dahlgren. Vivian ended her long IT career at GEICO to become her husband's primary caretaker who suffered with Alzheimer's for over 5 years. From this experience she realized there are many district residents whose concerns and needs are not being addressed.

Thus, Vivian has decided to devote herself to helping her fellow citizens by running for a House of Delegates seat(99th district) . She's a grassroots gal with a purpose. ...Let's make it better for ALL!

Vivian' s focus on major issues includes:

- Economic Development-small business /entrepreneurship support & incentives to bring well paying jobs to the area.
- Great public educational and training opportunities to enable residents to attain those jobs.
- Affordable and quality healthcare and services for everyone (especially lower-income and senior residents).
- Protecting the unique and pristine environment of the Northern Neck region(no fracking,continue Chesapeake Bay clean-up) .

These are just a few of the many issues Vivian will be fighting for!
